The Royal Spa Nursery School

Photograph Consent form

We collect and use photographs for the following purposes. Please tick the box to confirm you agree to the use of photographs for that purpose:

For display in access-controlled areas of the school Specifically on allergy/medical lists. These are kept inside cupboards and not on general display. These lists will be shredded when your child leaves the school.	
For display in public areas of the school, specifically on the child's individual peg, with only first name displayed, this will include a picture of one or more parent (s). These photos will be shredded when your child leaves the school.	
For use on the school website without reference to personal details, alone or in groups. These may be kept and displayed for a maximum of 3 years. This form is agreement in principle, we will always seek permission from you before we display photo/s of your child on the website.	
For use in record files, learning journals, to celebrate learning and achievement, alone or in groups. These will be deleted from our system within a year of your child leaving. You will be given the learning journal to keep when your child leaves the Royal Spa Nursery School.	
For the (external) school photographer to take individual photos. These are printed and are for you alone to purchase (with no obligation). These will not be displayed anywhere outside the nursery. These will not be kept by the school after the deadline for purchase and the photographer will not display them anywhere but in the nursery. Digital files will be deleted within 3 months of the deadline of purchase. Name& Group will be shared with the external photographer to help with facilitating the purchase of photographs directly from the photographer
